Policies and Procedures

The client hereto agrees to the following:

- 1) The Doggie Door LTD and its employees agree to provide services stated in this agreement in a reliable and trustworthy manner. In consideration of these services and as an express condition thereof, the client expressly waives any and all claims against The Doggie Door LTD or its employees, unless arising from gross negligence on the part of The Doggie Door LTD.
- 2) The client understands that all pets must have a veterinarian and must be current with all vaccinations. Vaccinations must be given far enough in advance to be effective. We also require vaccination against kennel cough, which is very common among boarding facilities. Please bring vaccination record with you before or during admission or pet(s) **will not** be admitted.
- 3) The client understands that all pets must be treated with a flea, tick and heartworm preventative. If fleas are found on pet, a flea bath will be given at owner's expense.
- 4) Pets over 6 months of age must be spayed or neutered.
- 5) The client understands that we will not administer sedatives to your pet -- regardless if they are veterinarian prescribed. If your pet needs this type of medication you need to make arrangements for your pet to be hospitalized with your veterinarian.
- 6) The Doggie Door LTD does not diagnose, prognoses', nor make therapy decisions nor does it offer veterinary services. Any veterinary/medical concerns will be referred to a veterinarian.
- 7) The Doggie Door LTD will not board acutely ill animals or those with uncontrolled medical conditions. We suggest the pet be boarded with a vet. Certain medical conditions may also be referred to a veterinarian for boarding. Pets infected with Feline Aids, FIP, ringworm or any other contagious disease will not be admitted.
- 8) The client understands that the animals interact with other animals and employees. The client must express any known aggression problems that the animal has with other pets or people and must be free of any communicable diseases. The pet is being admitted based on client's representation.
- 9) Client is solely responsible for any harm caused by their pet to any employees, other pets/owners, or property. Client agrees to reimburse The Doggie Door LTD for all costs (including, but not limited to, medical care and lost wages) associated with exposure to pet(s).
- 10) The Doggie Door LTD does provide food, bowls, and bedding; however, if you decide to provide your own, The Doggie Door LTD is not responsible for those items. Please label all items including medications with pet's name and owner's name. It is recommended that the client provide the pet's own food as a change in diet can cause upset stomachs.
- 11) The Doggie Door LTD **does** accept aggressive animals; however, these animals will not have any interaction with others. If you request a playgroup setting and your pet displays aggression or behavioral problems, it will be removed from playgroup.
- 12) Client understands if a playgroup setting is requested for your pet that accidents do happen. Client understands The Doggie Door LTD will not be responsible for scrapes, scratches, playful bites, transmission of diseases, etc. as these things are common amongst play groups.
- 13) The Doggie Door LTD reserves the right to take pet(s) to vet if necessary. Client is responsible for all charges including, but not limited to, vet fees and transportation fees.
- 14) The Doggie Door LTD reserves the right to deny service or terminate service because of safety concerns, financial concerns, or inappropriate or uncomfortable situations.
- 15) The client agrees if pet is not picked up, or we are not notified, within 5 days after scheduled pick up date, The Doggie Door LTD will consider pet abandoned and pet will become property of The Doggie Door LTD.
- 16) The pet will not be released until payment for service is complete. In the event of additional unforeseen costs (such as food, supplies, flea bath, vet fees, etc.), this will be added to the invoice for payment at the end of the visit.
- 17) The Doggie Door LTD is a non caged facility and the client is aware that animals will be in groups during the day and in secure rooms in same groups overnight.
- 18) The client is aware that there will be times of the day that the dogs will be unsupervised while in secure room with opening to outside dog run.
